- I understand that the Association will act upon this request within thirty (30) days once completed information has been supplied. I also understand that if enough information is not included in this REQUEST FOR HOME IMPROVEMENT APPLICATION that it may be returned to me for more information. I will also comply with any County or local codes, permit requirements, etc. I will not begin this improvement until I have received written approval from the Deerfield Plantation Property Owners' Association. I will notify the management office of the project completion.
- I acknowledge that I was given a copy of the Guidelines for Architectural Change for fence requests (if applicable).
